Dear Mr. Then,

This is to acknowledge receipt of your email. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of ND-2015-20-E – (Duke Energy Carolinas: Foothills Transmission and Substation Project - 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC) and will be posted on our website under ND-2015-20-E.

Please let me know if you should require any additional information.

Sincerely,

Hope H. Adams
Administrative Coordinator
Public Service Commission of South Carolina
(803) 896-5122

Subject: duke power line proposal

now Duke has not only changed the public input time from Aug 16 to Aug 31, but now says a route won't be selected until the first part of next year where they had previously stated it would be this NOV. How long will they keep the upstate of SC in limbo? People need to know ASAP so they can get on with the rest of their lives and/or make plans if the selected route goes through their property.
